“*Janice was my college roommate at University of Delaware. We continued our friendship for over 50 years, through life's joys and challenges. I have so many happy memories of her. She was taller than me, thinner than me, prettier than me, and way smarter than me.*

I knew she was in hospice. I didn't know that she had died.

Janice had a deep religious faith, which helped her. I know she is with God and happy.

Rest In Peace, dear friend. I will always remember you.

With love,

Mary Titus
