“ Goodbye my high school and Goucher College friend. Godspeed. See you on the other side.

“ I am heartbroken to learn that Jan has died. We met when she spoke to my high school Senior English class, with the infamous Emily Reimensnyder. And became friends when I was a freshman at Goucher and she a brilliant junior. She made sure that, when I didn't have an 8 am class, I was in the liverary, studying. We maintained our friendship over the years and lost touch this last year or so. I called, emailed, and sent letters, but no response. I do hope that she was comfortable in her final years, and that her beloved dogs are loved. Nan Borleis Andersson.
