“ *Joanne was a wonderful friend. She joined our bowling league several years ago, and we all had fun bowling and going to lunch. We played Mah Jongg together as well, and always enjoyed her company. She will be greatly missed.*

“ *Bonnie, Denise and Michelle and families*

It's hard to put into words how my heart feels losing my friend. Joanne, Fran and I have been friends for a very long time. We lost touch for a short period after she retired. We called her one day when we were in Bel Air and asked her to meet us for lunch. An hour later Joanne, Fran and I were laughing once again, reminiscing about the fun we shared. I think that was the fastest I had ever seen her move. We would get together for Ravens football, going to the Casino or just getting together for game night with a bunch of girls. We had lots of good times going to lunch or dinner and trying new restaurants. Those times will always be remembered. We will just have to do it with an empty chair at our table.

The love and kindness you gave Joanne during her illness was wonderful. She may have been moody at times, but she loved you all so much and I know she was grateful for the care you gave to her. As much as we all will miss her we can be grateful that she is at peace.

*Love to all,
Bobbie*
