“ It took me a while to track down where Linda's final resting place would be. Linda and I were pool buddies at Mays Chapel Swim Club. Always loved chatting with her every day at the pool. She was such a beautiful and lovely lady and was loved by so many at the pool including me; but this past year ... she became ill and she suffered so medically speaking, and by the time she got the treatment she needed .. it was too late. She now is pain free and in heaven. Time soothes all sorrows but how special for me that i had the pleasure of knowing her and will always remember her with a smile! She will always be remembered!
