“ Grandmom, your life in earth brought us all a little closer to heaven. You embraced us with love. You lived a life of faith. Your life was a beacon of light to all. I'm so thankful for all your love and prayers. I'm thankful for the times back East that gave me a chance to spend time with you and gave our girls a chance to be touched by your life. Dinners at Mom's, train rides, Florida, crab feasts in the backyard, driving around to look at Christmas lights, cleaning out your junk drawer with you, your laugh - the best laugh ever, talks on the phone, your sweet understanding and listening ear, your love that held closely but never too tightly — all special memories I'll treasure until I get to see you again in heaven. I love you! - Michelle

“ Grandmom left a legacy for all who knew her.  
One that is not accomplished by many.  
Her giving heart, quiet praying spirit & embracing soul were all the  
hands & feet of Jesus.  
If you knew my Grandmom I am sure you have been touched by her  
saintly love.  
Will forever cherish our memories in my heart & smile as I know you  
are in heaven pain free.  
Always your  
Sarah Marie.

“ A few thoughts from your Son - John in California June 24, 2020  
Mom your faithfulness and gift of prayer has shaped me to be the  
man that I am today.

As a wayward teenager in the late 60's and early 70's you were  
there for me and on your knees asking God to guide and change  
me.

God has answered, so many of your prayers. During my 44 years of  
marriage, you prayed every day for me and my family.

I am so forever grateful Mom for your prayers, love, support and  
faithfulness to our Lord Jesus Christ. You have been a true  
PRAYER Warrior!

You have loved your entire family unconditionally and been a role  
model for our entire family and so many others.

So many of your grandchildren have keep the letters you wrote to  
them upon their birth.

Welcoming them into the world and blessing them, as they began  
their journey here on earth.

Now after 95 years, your journey here on earth has ended and you  
have received the gift of eternal life. This is my short letter to say  
farewell and enjoy your time in heaven.

Jesus has many rewards for you for the blessing that you have  
been to your family and so many others.

Thank you Mom for your prayers, example and unconditional love.

You have lived the verse(s) in the New Testament - I Corinthians 13  
(The Love Chapter).

Vs. 13: Reads - Three things will last forever- Faith, hope, and love –  
and the greatest of these is love.

Thank you for your LOVE Mom – MOM I Love You, and look  
forward to being with you when my journey here on earth ends and I  
join you in heaven.

Love, John

“ My dearest, Aunt Peg. Her sister, Louise, died when I was 9 years old leaving me without a mom, but also leaving me with an excellent roll model of what a mother should be LOVE! Pure unjudgmental love. Lynn was then an example of a daughter's pure unselfish love. My life is different because of you. Thank you does not nearly come close, if there is Anything I can do for you please let me know. Her niece, Judy.

*Mrs. E. I just learned of your passing I'm so sorry the world has lost one of the nicest people that has ever walked this earth. I have always loved you, you are like an Angel to anyone that has ever had the pleasure of meeting you. It's no wonder that you're Children are such wonderful people they were raised by you. I'm really sorry that I hadn't been around in the past few years, I've had my own things going on that's kept me busy, I will always regret that, and I also regretful that I let unspoken words about staying away from your family get between me and your family. I will always thank God that I had the honor of knowing you and your wonderful family I love you all.*
