“ *Suzanne has been a friend of mine ever since she and Mike adopted Heather. She was a good mother and a devoted grandmother to RJ. She was always thoughtful of others as demonstrated by the luncheon she held for me when I was graduated from Loyola. My condolences to all who love her.*

“ *Suzanne, you were in my life for at least 50 years. It's hard for me to remember when you weren't there. Some of my best childhood memories were spending time with you and the family in Baltimore. I will miss you so very much. I love you, my friend. Tell my parents hi for me.*
